

Yarrawonga Spring Field Day

Tuesday 15th October 2024 9.30am – 12.30pm

Featuring Hyper Yielding & Profitable Cereals and Victoria Pulse Project

154 Connells Road, Telford VIC 3730

(Scan QR code for map)

Signposted off Benalla-Yarrawonga Rd (Beatties Rd Intersection).

Come and take a look at the latest research taking place as part of a new GRDC initiative 'Hyper Yielding and Profitable Cereals' led by Dr Kenton Porker from CSIRO.

The project is looking at different germplasm, sowing dates and nutrient management with and without irrigation in the critical stem elongation phase.

There will also be an opportunity to look at disease management effects on the 2024 crop.

The field day will then progress onto the faba bean management trials on the same farm.

FAR Australia staff in attendance will be:

Ben Morris

Tom Price

Nick Poole

Site kindly hosted by the Inchbold family
