**Check out the new GRDC initiative
'Hyper Yielding and Profitable
Cereals' led by Dr Kenton Porker
from CSIRO.**

**See the latest in research covering
germplasm, sowing dates, nutrient
and fungicide management.**

**A great opportunity to also explore
FAR Australia's Germplasm
Evaluation Network in the MRZ.**

Field walk hosted by:

**Darcy Warren
FAR Australia**

**Dr Kenton Porker
CSIRO**

Site kindly hosted by the Langley family
