

MEDIA RELEASE

Friday 2nd May 2025

SAVE the DATE

FAR Australia has put in place its field day dates for the principal field research Crop Technology Centres commencing in September 2025. With a focus on ending the week with FAR Australia, a number of the dates fall on a Friday; we therefore hope you will be able to join us for a 'sundowner' refreshment at the end of the working week.

All events will be updated with exact paddock locations early spring.

For further details on these events and to register your attendance, please visit [Events - FAR Australia FAR Australia](#)
